Make Him Like You

Le'Andria Johnson

Before I go to sleep at night I pray for you
I hold my pillow tight for now
That will have to do cause youre not here
I guess thats for the back to me I hope you do less talking and baby show me
Oh God
Make him like you
Honorable, a worthy disciple, a good father, my best friend
Who will be there til the end
Make him like you
Committed, able, faithful, a provider, my best friend
Who will be there til the end
Make him like you
Committed, able, faithful, a provider, my best friend
Who will be there til the end
Oh lord you know whats good for me, lead the way
And guide my footsteps Lord cause my heart cant take another break
You are not here. I wasnt sure at first but I know, I know
Theres someone designed for me whos perfect, fit, and the mate to my soul
My soul! God
Make him like you
Committed, able, faithful, a provider, my best friend
Who will be there til the end
Make him like you
Committed, able, faithful, a provider, my best friend
Who will be there til the end
Walk like you (I want him to walk like you)
Talk like you (I want him to talk like you)
Live like you (I want him to live like you)
Just like you! (Just like you!)
Make him like you
Committed, able, faithful, a provider, my best friend
Who will be there til the end
Make him like you
Committed, able, faithful, a provider, my best friend
Who will be there til the end
