Nosebleed

Traitors

You were born in winter
But summer came too fast
Like a child you can't control
Now isn't it obvious?
That you still value his word
Now that it's not there
A lovelife down the drain--now isn't it obvious?
Some people hide their emotions
Some people show too much
I'm aiming for somewhere central
Now isn't it obvious?

He changed his look for you
You changed your life for him
Now, was the verdict worth the trial?

Did we go too far? Is that why your nose is bleeding?
Last night I dreamt we kissed on a bench in the evening

What went wrong with you?
I never took you for a fool

But all it takes is a rumour
Now isn't it obvious?
I'd love to clear the air,
But I can't bear to hear your voice
It's tainted with his name--now isn't it obvious?

He changed his look for you
You changed your life for him
Now, was the verdict worth the trial?

Did we go too far? Is that why your nose is bleeding?
Last night I dreamt we kissed on a bench in the evening

Did we go too far? Is that why your nose is bleeding?
Last night I dreamt we kissed on a bench in the evening

I was the one who followed
And you were the one who was leading

When last night I dreamt that we kissed
On a bench in the evening
