

# Not Good for the Mechanism

## Guided By Voices

It's not good  
It seems bad  
Just say no no never again  
Stop lying, mind your manners  
Out  
Not good for the mechanism  
When you  
Please be careful  
It's too hard on my heart  
Just get completely out of my sight  
Stop taking bad advice  
It turns  
Not good for the mechanism  
Not good for the mechanism  
When you  
Follow the truck  
When you  
Follow the truck  
Please be careful  
Please be careful
