Fool

Sanford Clark

Gather round me buddies
Hold your glasses high
And drink to a fool, a crazy fool who told his baby goodbye

Too late he found out he loves her
So much he wants to die
But drink to a fool, a crazy fool who told his baby goodbye

He needs her, he needs her so
He wonders why he let her go-oo-oo

She's found a new love, buddy
He's a lucky guy
So drink to the fool, 'cause I'm that fool who told his baby goodbye

He needs her, he needs her so
He wonders why he let her go-oo-oo

She's found a new love, buddy
He's a lucky guy
So drink to the fool, 'cause I'm that fool who told my baby goodbye
My baby goodbye
Who told my baby, who told my baby...
