

# Nobody Does Me

[Diane Schuur](#)

It took me some time to recognize the feelin'  
But I know tonight I don't need no clue  
'Cause your on my mind from morning through, till evening  
Nobody does me like you do I chased after dreams that never came to nothin'  
And tried being free but the nights were so blue  
It's easy to see that I'm lost without your lovin'  
Nobody does me like you do Mr. Moonlight shine your light on down  
Spread those tender feeling all around  
Every moment I spend by your side  
Love begins to make me crazy one more time I've made up my mind got myself together  
Just say you'll be mine and we'll stick like glue  
I got this feelin' and it's true  
Baby nobody does me like you do Oh rock me easy, when the day is done  
Wrap me in your passion all night long  
Every moment I spend by your side  
Love begins to make me crazy one more time, one more time Your might light till the end  
Around every bend we'll be shining through  
You make me feel so brand new  
Baby, nobody does me, nobody loves me sugar  
Nobody does me like you do, like you do Uh, oh, baby  
Oh, baby, baby Hum, what a feelin'  
Oh, just a rockin' and reelin'  
Kinda dig the feelin' Sweet, sweet, sweet, sweet, sweet, baby
