Call My Name

Tove Styrke

Oh, when you call my name
Oh, when you call my name
I was a rebel even as a little girl
I've been a loner ever since I can remember
I taste my hair because it wouldn't be in curls
I'm over-strengthened days and I shook these pretenders

Chorus:

Oh, when you call my name
Oh, when you call my name
Oh, when you call my name
I'll be waiting on the border, baby

Oh, when you call my name
Oh, when you call my name
I'll be two steps over the water, baby
Oh, when you call my name

I got my burning call from looking from above
I found a loophole having not become a member
I took the u-turn wasn't shaken kind of stirred
And if you see that kid there's no need to defend her
And even though I'm just a second from the blues
Always remember when he start to fed my jaw-bone
It's now or never cause a crook had read the news
I'm walking on the water shining like a rhinestone

Chorus:

Oh, when you call my name
Oh, when you call my name
Oh, when you call my name
I'll be waiting on the border, baby

Oh, when you call my name
Oh, when you call my name
I'll be two steps over the water, baby
Oh, when you call my name

Outro:

I'll be waiting
This ain't over
I'll be close, close, close, close

Chorus:

Oh, when you call my name
Oh, when you call my name
Oh, when you call my name
I'll be waiting on the border, baby

Oh, when you call my name
Oh, when you call my name
I'll be two steps over the water, baby
Oh, when you call my name
