My Love

Corinne Bailey Rae

And when I go away
I know my heart can stay with my love
It's understood, it's in the hands of my love
My love does it goodAnd when the cupboards bare
I'll still find something there with my love
It's understood, it's everywhere with my love
And my love does it goodI love, oh, my love does it good
Oh, I love my love, I love my love
My love, my love
Only my love does it good to meDon't ever ask me why
I never say goodbye to my love
It's understood, it's everywhere with my love
And my love does it goodOh, oh, oh, oh, my love does it good to me
Oh, I love my love, I love my love
My love, my love
Only my love does it good to me
