# All That I Need

## Point of Grace

Sometimes I know
You can read my mind
Deep down inside
Where my fears are hiding
Whisper so tender
The way that You do
There's a love that's forever
I've found in YouI know sometimes
I ask you for the moon
Reach for a star
And I long to hold You
How can this love be so simple for You
That you reach out and touch me
And suddenly I see
*Chorus*All that I need is You
Always forever with You
I feel Your love
And I realize
All I ever needed was You
Just YouHey, You're all I ever neededOnce in a while
A dream will come true
A moment in time
Created by you
Things less important
Start falling away
There's a truth down inside me
And I hear my heart say*Chorus*
All that I need is You
Always forever with You
I feel Your love
And I realize
All I ever needed was You
Just YouI remember a time
Love was so hard to find
I was never really satisfied
I needed what i just denied
Oh but now I see
So suddenly*Chorus*All that I need is You
Always forever with You

I feel Your love
And I realize
All I ever needed was You
Just YouAll I ever needed was You
Just YouHey
