Man Against Man

Ignite

Pigment a simple color of skin
no definition of where i fit in
blind hatred
just a matter of pride
presevation of the demon inside of you
man agaisnt man
man agaisnt man
man agaisnt man
the evil inside
taken to a frightful extreme
blame them for the misfortune they've seen
not perfect
he's only less than a man
not worthy
to walk on this land as you
man agaisnt man
man agaisnt man
man agaisnt man
the evil inside of you
you're guilty for having poison in hand
separation for those who don't understand
we're a species only one form alive
there's no black or white just you
man agaisnt man
man agaisnt man
man agaisnt man
evil inside of you...
