Gimme Money

Ester Dean

(Nicki Minaj)
Ayo, Ester, never been a guesser, but I bet my bottom dollar bitches under pressure
Moved out to LA, now it's like I sell yay
Money so offensive, niggas call me L-Way
You wanna gimme money, g-gimme money, gimme money
I rather have your time, time, I rather spend your time, time
You can gimme money, g-gimme money, g-gimme money!
I rather have your time, time 'cause I got mine, mine
Sit down, let me buy you a drink, boy (na, na, na)
You never seen a chick like me, boy (na, na, na)
Your money ain't a thing that I need, boy (na, na, na)
I bought the new crib, keep the rent, boy (na, na, na)
I can have what I want, I can buy what I want, all I need is your attention
I can have anything that I want, but I just want you
You wanna gimme money, g-gimme money, gimme money
I rather have your time, time, I rather spend your time, time
You can gimme money, g-gimme money, g-gimme money!
I rather have your time, time, 'cause I got mine, mine
Your money can't buy everything, boy (na, na, na)
I need your love more than a ring, boy (na, na, na)
Yeah, I like nice things, that's the icing (na, na, na)
But, you gotta give me more and make me your girl (na, na, na)
I can have what I want, I can buy what I want, all I need is your attention
I can have anything that I want, but all I want is you

You wanna gimme money, g-gimme money, gimme money
I-I rather have your time, time, I rather spend your time, time
You can gimme money, g-gimme money, g-gimme money!
I rather have your time, time 'cause I got mine, mine
(Nicki Minaj)
Uh
Ayo, Ester, never been a guesser, but I bet my bottom dollar bitches under pressure
Moved out to LA, now it's like I sell yay
Money so offensive, niggas call me L-Way
If I needed money, I would be up in the bank
The crib got exotic fishes in the tank
The 24 gold carat dishes in the sink
Them bum bitches just be takin' pictures on they plane
You wanna gimme money, gimme money, gimme money, oh

I'm up in Hong Kong rockin' show yo to omo
Lobster sushi rolls with a side of soyo sauce
C-c-chopsticks, you know we don't give a fork!
You wanna gimme money, g-gimme money, gimme money
I rather have your time, time, I rather spend your time, time
You can gimme money, g-gimme money, g-gimme money!
I rather have your time, time 'cause I got mine, mine
All on me, all on me, all on me
All on me, all on me, all on me (oooh, yeah)
All on me, all on me, all on me
All on me, all on me, all on me
