Help Me

N*E*R*D

Help me
'Cause I, can feel, the fumes.
'Cause someone uncool, has made it inside the room,
Our idea's get shared, now the girl won't get spared,
And you're just sitting there, sucking up the air

OK, you got it, you want to do somethin' 'bout it,
Wait a minute, what's wrong, somethin' broke?
(Come on)

Help me

Is that a snake I just saw?
Well they can only live with the grass, and weeds, are tall.
Well I'll stop at no cost to please my eyes
And no I won't kill you but I'll watch you die
C'mon!
Woo!
Yeah!
Die bitch die!
Ah

Help me
'Cause this ain't good for my health
So you can have this room and building yourself
My oath won't let me conspire
While your presence set our sanctuary on fire

Help me

'Cause your intentions are pure

'Cause cool can only be killed never absorbed
And I will never stop or compromise
And no I won't kill you but I'll watch you die
C'mon!
Woo!
Yeah!
Yeah!

Aw

Help me

Understand why you're surprised
But never mind that please look outside
Submarines and flying machines and fella's you know
And signs that say we should've nuked you a long time ago

Help me
See those war machines out there
Are packed with your karma do you care
Just no karma doesn't stop when you cry
And no I won't kill you but I'll watch you die
C'mon!
Woo!
Yeah!
Yeah!
Yeah

Help me
