

# How Could I

## Retard-O-Bot

You broke another nail  
That's too bad for the soul  
What to do besides go read  
A magazine and smokeHow could I?  
How could I ask for more?Everything's the same  
I woke up on the floor  
Yesterday I got a job  
Down at the liquor storeHow could I?  
How could I ask for more?But you want more  
So here you go  
Another page  
For your notebook  
Force a smile  
Yeah, life is good  
How could I?  
How could I?Once I stood too tall  
I twice fell to the floor  
Three or four times  
I just could not answer at the doorHow could I?  
How could I ask for more?Go buy yourself some clothes  
Now you don't feel lost  
The hangers in your closet  
All feel better for the lossHow could I?  
How could I ask for more?But you want more  
So here you go  
Another page  
For your notebook  
Force a smile  
Yeah, life is good  
How could I?  
How could I?But you want more  
So here you go  
Another page  
For your notebook  
Force a smile  
Yeah, life is good  
How could I?  
How could I?How could I?  
How could I?

How could I ask for more?
