

# Ready To Die

Andrew W.K.

This is your time to pay  
This is your judgment day  
We made a sacrifice,  
And now we get to take your life We shoot without a gun  
We'll take on anyone,  
It's really nothing new  
It's just a thing we like to do You better get ready to die  
You better get ready to kill  
You better get ready to run  
'Cause here we come  
You better get ready to die Your life is over now  
Your life is running out  
When your time is at an end  
Then it's time to kill again  
We cut without a knife  
We live in black and white  
You're just a parasite  
Now close your eyes and say good-night
