

# Help Me

## Canned Heat

Help me darlin' I can't do it by myself  
Help me darlin' I can't do it by myself  
You can help a woman and gonna get me somebody else  
Walk with me darlin' I wanna talk to you some time  
Walk with me darlin' I wanna talk to you some time  
Long walk with me darlin' long consolate weary mine  
The sun gonna shine in my back door some day

Sun gonna shine in my back door some day  
Long the moon come along Lord take all my troubles away  
Lord bring me my nature get you're all morning gown  
Lord bring me my nature get you're all morning gown  
Lord soothes for money and you no wanna shake  
The morning gown
