Finally Home (feat. Craig Morgan)

Tracy Lawrence

I've walked into the fire of the fight
Seen the loss and the cost of sacrifice
After all the distant roads that I've been on
I'm finally home, I'm finally homeLeft my friends and my family behind
I crossed oceans, laid my life on the line
Faced my fears and the hear t of the unknown
I'm finally home, I'm finally homeFinally home with my loved ones all around me'
Finally home in a place where I belong
I can finally start to feel my future on this corner stone
And I'm finally home, I'm finally homeAfter all the battle lines that I have crossed
And all the brothers and the sisters lost
I'm thankful for the love that I've been shown
And I'm finally home, I'm finally home
After all the distant roads that I've been on
I'm finally home, I'm finally home
