Mind Your Own Business

Chicks on Speed

Can I have a taste of your ice cream?
Can I lick the crumbs from your table?
Can I interfere in your crisis?No, mind your own business
No, mind your own businessCan you hear those people behind me?
Looking at your feelings inside me
Listen to the distance between usWhy don't you mind your own business?
Why don't you mind your own business?Can I interfere in your crisis?
Can I have a taste of your ice cream?
Can I have a taste of your ice cream?
Can I lick the crumbs from your table?
Can I lick the crumbs from your table?
Can I interfere in your crisis?No, mind your own business
No, mind your own businessListen to the distance between us
Can you hear those people behind me?
Looking at your feelings inside meNo, mind your own businessCan you hear those people behind me?
Looking at your feelings inside me
Listen to the distance between usNo, mind your own business
Why don't you mind your own business?
Why don't you mind your own business?
Why don't you mind your own business?
