## Deftones

You're so sweet, your smile  
Your pussy and your bones  
You're on fire, you move me  
Like music with your style Let me think  
(And you think about what?)  
About girls  
(And what else?)  
And money, and new clothes  
(And what do I get?) Thirty nights  
(Uh huh)  
Of violence  
(Yeah)  
And sugar, to love Come here come here  
Closer to the lung  
So I can, I can  
Shove her over railing You're sweet but I'm tired  
Of proving this love  
See you're a bore but you move me  
Like a movie that you love Let me think  
(And you think about what?)  
About girls  
(And what else?)  
And money, and new clothes  
(And what do I get?) Thirty nights  
(Uh huh)  
Of violence  
(Yeah)  
And sugar, to love Come here come here  
Closer to the lung  
So I can I can  
Shove her over railing Let me think  
(And you think about what?)  
About girls  
(And what else?)  
And money, and new clothes  
(And what do I get?) Thirty nights  
(Uh huh)  
Of violence  
(Yeah)

And sugar, to love  
(Fuckin' rock star)Come here, come here  
Closer to the lung  
Come here come here  
Closer to the lung  
So I can I can  
Shove her over railing
