Soul Free

Atomic Swing

You're burning out of fuel with your fiery emotions
And you're squirming out of juice With your troubles and notions, aren't you
And you're wastin all your precious time
As a sliming cured healthness sick fool
When you're right here in the piece
For you know baby, you're pleasing you out of time
Will you be soulfree or drop for your sympathy needs
Soulfree or evolutionary diseased
Soulfree you gotta stop if you wanna be You're slaving for you're made up self realisation, aren't you
And your reading heavy subjects
Just to feed your blind desperation
But do you really have a good time
Do you really feel that amused of toein on the line
Baby, you're toeing it out of time
Will you be soulfree...
And stick to love... Well baby, youth is a fleeting ride
Can't you see we run out of time
We could be soulfree and drop for our sympathy needs
Soulfree or evolutionary diseased
Soulfree we gotta stop if we wanna be
And stick to love...
