

# Can We Talk

Tevin Campbell

Last night I, I saw you standing  
And I started, started pretending  
I knew you, and you knew me too  
And just like a Roni you were too shy  
But you weren't the only 'cause so was I  
And I've dreamed of you ever since  
Now I build up my confidence  
The next, next time you come my way  
I'll know just what to say  
Can we talk for a minute?  
Girl I want to know your name  
Can we talk for a minute?  
Girl I want to know your name  
I started to write you letters  
But I wanted to be more clever  
I wanted to get down and sweet talk you  
Hey, baby but just like a baby I could not talk  
And I tried to come closer but could not walk  
And I think of it every night  
How I just could not get it right  
Oh, if we ever come close again  
I know what I'll say then  
Can we talk for a minute?  
(Can we talk baby can we talk for a minute?)  
Girl I want to know your name  
(I want to know your name)  
Can we talk for a minute?  
(Can we talk for a minute baby?)  
Girl I want to know your name  
Oh, girl one more chance  
With you again I will not let it go  
Oh, please give me just one more chance  
For love, love, love, love  
Can we talk for a minute?  
(Yeah yeah baby)  
Girl I want to know your name  
(I wanna know)  
Can we talk for a minute?  
(Can we talk for a minute baby?)

Girl I want to know your name  
(Oh baby, baby, baby, baby)  
Can we talk for a minute?  
(Come on talk to me baby)  
(Come on and talk to me baby)  
Girl I want to know your name  
(I wanna know, I wanna know, I wanna know your name)  
Can we talk for a minute?  
(Can we talk for a minute, come on and talk to me baby.)  
Girl I want to know your name  
(Come on baby, come on baby)  
Can we talk for a minute?  
(I said can we talk for a minute, come on and talk to me baby)  
(See I wanna know, you better tell me your name baby)  
Can we talk for a minute?  
(I said talk to me for a minute)  
(Come on and talk for a minute)  
(I wanna know, I wanna know)  
(I wanna know your name)  
Can we talk for a minute?  
(Talk to me for a minute)  
(Come on and talk for a minute)  
(Come on, come on, come on and talk)
