

I Saw The Light

Wynonna Judd

I laid a red rose on your front porch
And I wrote 'I Love You' on a note
I rang the doorbell and turned to go
Baby when the curtains moved
I couldn't believe the view[Chorus]
I saw the light in your window tonight
I saw two shadows holding each other tight
I know the truth when I look in your eyes
I saw the light in your window tonight So take your cheating hands off my red dress
'Cause I ain't wearing this thing for you
I see you clearly now, and your lies too
They say that love is blind
Well, baby, not this time[Chorus] Why, baby, why
Should I listen to ya
Cry, baby, cry
Now I'm walking out the door They say that love is blind
Well, baby, not this time[Chorus] I know the truth when I look in your eyes
I saw the light in your window tonight
