

Napalm

Flattbush

It burns, it stings
Our huts, our crops
Our lands, those bombs, them bombs
We cannot live a normal life! Napalm, from morning until dawn its hell!
It fries, it crisp our skin
It killed my niece, her dog
My nephew, his cat
Mom, dad forced evacuation from our town!
We can't live a normal life
Our country is controlled by uncle scam!
Who wages war, drove my family away from our native land!
Combat, resist, have to unite
Apply, all form of struggles
Serve the people, for our country
Let's liberate our homeland!
We can't live a normal life!
We can't live a life like this, its hell!
