

Nobody But You

Trembling Blue Stars

What am I going to do
I don't want to live without love
 But I don't want to love
 Nobody but you
 Someone who doesn't want
 Me any more, me any more
 Someone who no longer wants me
What am I going to do? Anyone else
 I'd always be thinking
 How they're not you
 I'd always be thinking
 How they're not you
 I just wish you
 Would give me the chance to
 Never, never hurt you again
 Why must it be that
 I was too late in seeing that
 In thinking my love gone
 I couldn't've been more wrong
 Anyone else
 I'd always be thinking
 How they're not you
 I'd always be thinking
 How they're not youWhat am I going to do?
 I don't want to be
 Alone in the world
 But want you only
 But only want you
