

Can You (Point Your Fingers and Do the Twist?)

The Wiggles

(All right everybody we'll get ready to point our fingers and we'll do the twist. Here we go!)

Can you point your fingers and do the twist?

(Everybody's twisting, Greg!)

Can you point your fingers and do the twist?

(We're all doing the twist.)

Well we're gonna go up, then go down, get back up and turn around.

Can you point your fingers and do the twist?

(What's next, Greg? What's next?)

Can you stand on one foot and shake your hands?

(Oh boy, that's hard!)

Can you stand on one foot and shake your hands?

(shakey shakey)

Now we're gonna go up then go down, get back up and turn around.

Can you stand on one foot and shake your hands?

(What's next, Greg? What's next?)

Can you point your fingers and do the twist?

(pointy pointy pointy)

Can you point your fingers and do the twist?

(I'm doing the twist really fast, Greg!)

Now, we're gonna go up and then go down, get back up and turn around.

Can you point your fingers and do the twist?

(cha cha cha)
