Spidersong

Yoav

No more promises
I have made them before and broken them
Give me the go ahead
And I'll undress myself for you
If you're at all interested nowI'm growing legs
I'm the spider, I'm the spider
I'm growing legs
I'm the spider, I'm the spider
Crawl inside her, I'm the, heyOh, I know your pain
(Oh, I feel you, baby)
You like I plagued by the flies inside your brain
Oh, I'm creeping up your veins
Are you smart enough
And small enough to play this game?I'm growing legs
I'm the spider, I'm the spider
I'm growing legs
I'm the spider, I'm the spider
Crawl inside her, I'm the, ohI better watch my back around you
You've got the moves, the shoes, the 'do, you've got me
Oh, no, no, no
And I want you to know I want to(You've got those tired eyes all the time)
You've got those tired eyes all the time
(You've got those tired eyes all the time)
Yeah, you need someone to bring you to bedI'm growing legs
I'm the spider, I'm the spider
And I'm growing legs
I'm the spider, I'm the spiderI am cold, too cool to call you
Far too stoned to leave my bed
I'll write this song to win your kiss
But stay asleep instead
