

All the Misery

Christy Sechrist

When you let go
I find it hard to see the end of tunnel
oh, I know
your heartâ€™s the pieces at the end of the funnel

Iâ€™m sorry I broke you down again
Iâ€™m sorry for now and Iâ€™m sorry for then

Never been down before I knew you
I never let go, til I knew I was through
You make me look deeper down inside myself
donâ€™t let me get back up until Iâ€™m well
and you bend me back until I break
Youâ€™re all the misery I can take

When you step back
itâ€™s harder and harder to see you
and get life back on track
time to start over new

Iâ€™m sorry I broke you down againâ€

(Chorus)

Iâ€™m sorry I tried, sorry you lied
sorry I cried, sorry you tried too
Iâ€™m sorry I never chose sides
Iâ€™m sorry I never really knew you
