

# No Good in Goodbye

## The Script

All the things that we've lost  
Breaking off comes at a cost  
And know I miss this mistake  
Every word I try to choose  
Either way I'm gonna lose  
Can't take the ache from our break  
Oh but as you walk away  
You don't hear me say

Where's the good in goodbye?  
Where's the "nice" in nice try?  
Where's the answer and trust gone?  
Where's the soul in "soldier on"?  
I'm alone and lonely  
Cause I don't own the only  
I can take this mistake  
But I can't take the ache from heartbreak  
Can't take the ache from heartbreak

No matter how it falls apart  
There's a "not" in breaking hearts  
But there's no fair if you will, no  
When I see you in the street  
Afraid to God  
You don't see the silent hail and I wish you well

Oh but as you walk away  
You don't hear me say

Where's the good in goodbye?  
Where's the "nice" in nice try?  
Where's the answer and trust gone?  
Where's the soul in "soldier on"?  
I'm alone and lonely  
Cause I don't own the only  
I can take this mistake  
But I can't take the ache from heartbreak  
I can't take the ache from heartbreak  
I can't take the ache from heartbreak

I can't take the ache from heartbreak

If I could turn back time then I would re-write those lines  
If I could turn back time then I would re-write those lines  
If I could turn back time then I would re-write those lines  
If I could turn back time then I would re-write those lines

Where's the good in goodbye?  
Where's the "nice" in nice try?  
Where's the answer and trust gone?  
Where's the soul in "soldier on"?  
I'm alone and lonely  
Cause I don't own the only  
I can take this mistake  
But I can't take the ache from heartbreak  
I can't take the ache from heartbreak
