

# Dominus (Technology Remix)

## Subliminal Code

between darkness and light me gave  
your hand to take my soul  
she is my dark angel  
because you hear my cries I was alone dominated  
You can now use for as you please  
You shelters with your wings  
your eyes hypnotize you seize of my dreams  
come to devour my soul  
you seize of my desires  
this is for you
