Pay Your Rates

The Fall

Pay your rates
Pay your own rates
Pay your rates
Pay your own rates
If your rates too high
Sign this letter
If your rates too high
Put your life on this bit of paper
Advice on rates
Advice on rates
Pay your rates
Pay your own rates
Pay your rates
Pay your own rates
If your rates too high
You'd better sign this letter
If you don't pay your rates
You're gonna end up here
Or end up on debtors retreat estate
Or debtor's retreat escape
Debtor's escape estate
Debtor's escape
Debtor's retreat escape
Debtor's retreat estate
Your [...] red landscape
A socialist state invention
The old government bones working
Debtor's escape estate
Debtor's retreat estate
A [...] estate
Debtor's escape estate
Pay tomorrow
Pay tomorrow
Pay your rates
Pay tomorrow
Pay tomorrow
Pay tomorrow
Pay your rates
Pay your own rates

Pay your rates
Pay your rates
