

Walking On Sunshine

Jennifer Lopez

I can't wait, wanna see
How this night is gonna be
Just a touch, away
From a feeling that is here to stay
We can make it last forever baby
Our love will stand the test of time
In the middle of our world
I'll be waiting for you to be all mine We're walkin' on sunshine
In the middle of the night
And it feels like I'm somewhere above the sky, I, I, I Take my hand and close your eyes
Say the sweet little things that make me cry
Catch my tears with a kiss
These special moments do exist
We can make it last forever baby
Our love will stand the test of time
In the middle of our world
I'll be waiting for you to be all mine We're walkin' on sunshine
In the middle of the night
And it feels like I'm somewhere above the sky, I, I, I Let's take a chance and try love baby
No I'm not givin' up
Till you tell me that you'll be in my life
Until the end of time We're walkin' on sunshine
In the middle of the night
And it feels like I'm somewhere above the sky, I, I, I Let's take a chance and try love baby
No I'm not givin' up
Till you tell me that you'll be in my life
Until the end of time We're walkin' on sunshine
In the middle of the night
And it feels like I'm somewhere above the sky, I, I, I
We're walkin' on sunshine
In the middle of the night
And it feels like I'm somewhere above the sky, I, I, I We're walkin' on sunshine
In the middle of the night
And it feels like I'm somewhere above the sky, I, I, I
We're walkin' on sunshine
In the middle of the night
And it feels like I'm somewhere above the sky, I, I, I
