

She's Only Happy In The Sun

[Ben Harper](#)

I know you may not want to see me
On your way down from the clouds
Would you hear me if I told you
That my heart is with you now
She's only happy in the sun
She's only happy in the sun
Did you find what you were after?
The pain and the laughter brought you to your knees
But if the sun sets you free, sets you free
You'll be free indeed, indeed
She's only happy in the sun
She's only happy in the sun
Every time I hear you laughing, I hear you laughing
It makes me cry
Like the story of life, of your life
Is hello, goodbye
She's only happy in the sun
She's only happy in the sun
She's only happy in the sun
She's only happy in the sun
