

You Told Me

Alvin Lee

You told me that you'd never leave me
You said you'd never say good-bye
You told me that you'd never hurt me
You told me that you'd never lie
Glad you love me - see who cares if I die! You told me that you'd always love me
You told me that you'd never cheat
You told me that you'd never hurt me
You said you'd spend your life with me
So much sugar - now it doesn't taste so sweet! You told me that you really loved me
You say you're gonna stand by me
You told me that you'd always love me
You said you'd never part with me
So much talkin' - then you walk right over me!
You told me that you'd never leave me
You told me that you really knew
You told me that you'd never hurt me
You told me that your love was true
What you playin'? - Hey baby what can I.
