Frequencyshifter

Scar Symmetry

Radiant, spiritual
Bring forth manifestation
Hidden away pineal gland
Tie down natural abilitiesThe eye that could not see will now open again
Solid worlds will tremble from sky to groundLight falls from the sun and carries on
To invite the dawn when it's born
A new day has come, now deeds be done
In the shift of frequencyConstant, perpetual
Flow of light radiation
Illuminate, invite the dawn
Third eye sight sensibilitiesThe eye that could not see will now open again
Solid worlds will tremble from sky to groundLight falls from the sun and carries on
To invite the dawn when it's born
A new day has come, now deeds be done
In the shift of frequencyUnveiled macrocosm
Mind's eye reveals the unknown
Near death lunacy
As worlds explode within
Unfold microcosm
White lights reveal the unseen
Endless potency
Mind alterationEmbraced mind alteration
Clairvoyant seedUnveiled macrocosm
Mind's eye reveals the unknown
Near death lunacy
As worlds explode within
Unfold microcosm
White lights reveal the unseen
Endless potency
Mind alteration
Shape shifting frequency
