

Girl Crazy

LMNT

Feels like I'm losing my mind
Caught up trying to count all these girls in my life
So hard for me to resist
When they walk by, they give me the eye, I fall in love every time
And its so deceiving how people perceive me
But I'm in search of the perfect one, yeah
Fell in love with a girl on Sunday
Fell in love with another on Monday
Who knows what will happen today
I'm goin girl crazy
Wine and dining all these honeys
Hanging out, blowing all of my money
Even though its kinda funny
I'm still girl crazy
It seems like time after time
I'm living up, spreading my love to all the girls I can find
I know its not the way I should be
But what can I do, I'm just a fool, and I'm living life free
And its so deceiving how people perceive me
But I'm in search of the perfect one
And its so deceiving how people perceive me
But I'm searching for the only one, yeah, yeah
Fell in love with a girl on Sunday
Fell in love with another on Monday
Who knows what will happen today
I'm going girl crazy
Wine and dining all these honeys
Hanging out, blowing all of my money
Even though its kinda funny
I'm still girl crazy
Some call this make believe
I call it reality
Its true, yes, what they see
That every time I hold someone
That's when I want the other one
Can't stop, I like it anyway
A different girl, a different day
Its just me, what can I say
And every time I find someone
That's when I want another one
I'm going girl crazy
Fell in love with a girl on Sunday
Fell in love with another on Monday
Who knows what will happen today
I'm going girl crazy
Wine and dining all these honeys
Hanging out, blowing all of my money
