

Takeover

Ana Kefr

Under the caress of the winding-sheets
A mere conjecture screams out from the sands,
Embodiment of Neanderthal tyranny.
One people's will to annihilate man.

We don't need you -
To tell us how to think or
To tell us how to live our lives.
Free to do
The things we want to do,
The things we know as true -
So fuck you.

Religious mindset the basis of doublethink,
Abolish freedom to establish the thoughtpolice.
How can human rights so blatantly
Be denied in the spreading of your ministry?
What is Hell but the sum of shit humanity?
What is Heaven but a comatose hypocrisy?
What is worse, they're all convinced they're right.
There is no sanity in statistics.

Allahu Akbar, Allah...
Ana Kefr,
Ana Kefr.
Ash-hadu an-lÄ• ilÄ•ha ill-AllÄ•h...
Ana Kefr,
Ana Kefr.
You are the dead.

A casual stroll through the lunatic asylum will show you
That faith proves nothing.

Al-Qahr
Al-Mo'men
Al-Khafid
Al-Muntaqim

We don't need you at all.

Under the caress of the winding-sheets
A mere conjecture screams out from the sands,
Embodiment of Neanderthal tyranny.
One people's will to annihilate man.

We don't need you -
To tell us how to think or
To tell us how to live our lives.
Free to do
The things we want to do,
The things we know as true -
Fuck you.

We don't need you -
To tell us how to think or
To tell us how to live our lives.
Free to do
The things we want to do,
The things we hold as true.
So fuck you.
We have got to take over.

Ana Kefr
Ana Kefr,
Ana Kefr,
Kefr forever.
