# Second Wind

## Claire Lynch

Somethin' familiar blew in with the wind
a dream I let fall by the wayside
I find myself yearnin' to live it again
Now, there's no stoppin' me this time, 'causeCHORUS:
I've been surveyin' the shape that I'm in
Wasted and weary and wearin' it thin
I know where I've been but who knows where I'm goin'
I feel a second wind blowin', blowin' my wayThe first time around you don't know what you have
until the day comes when you lose it
Now, I'm gettin' ready for my second chance
This time I won't refuse it, 'cause
CHORUSI won't be denyin' my heart any longer
The longer I wait, this feeling grows stronger
CHORUS
