Goodbye From The Start

Alpha Rev

Is there anybody in there?
To come outside and play
Did I run around you?
Did you run away?Now there is nothing left
but promises to fadeWas it goodbye from the start?
Coffee on Sunday, and a walk in the dark
Used your beautiful sadness when you stole my heart
Was it a goodbye,
Goodbye from the start?Did I ask too many questions?
Or have I been a pest?
Was there someone in the parlor
Thinkin' they know best?
Were you afraid of wakin' up inside another mess?Was it goodbye from the start?
Stranded and lost, when you hopped in my car
Used your beautiful sadness when you stole my heart
Was it a goodbye,Goodbye from the beginning of the blinded eye,
And the weakening of the weaker mind
I should know,
Wherever we're leaving, let it go,
It's just a good time.Will you please forget me?
Can you learn to try again?
Can you try again?Was it goodbye from the start?
Coffee on Sunday, and a walk in the dark
Used your beautiful sadness when you stole my heart
Was it just a good time?Was it goodbye from the start?
Now there is nothing left
but promises and the beautiful sadness when you broke my heartWas it a goodbye,
goodbye from the start?
