

# Better Than This

Kimberley Locke

There's a shadow in my mind  
That I'm tryin' to leave behind  
But it can't get me down  
There are clouds in the sky  
Still, the sun is in my eyes  
Whenever you're around  
It's all good, like I could  
finally be the one who gets to win  
It's so real, how I feel  
Ever since I let you in  
Does it get any better than this?  
We're into something beautiful  
Bein' with you's as good as it gets  
It doesn't get any better  
It's as if, the night is ours  
I can see a billion stars  
That were never there before  
Like there's something in the air  
I can feel it everywhere  
I just want more and more  
It's all good, like I could  
Fly up to the moon and back again  
It's so real, how I feel  
Never want it all to end  
Does it get any better than this?  
We're into something beautiful  
Bein' with you's as good as it gets  
It doesn't get any better  
Standin' here in my shoes  
I feel like I can't lose, no, not this time  
Oh, the worst is in the past  
We save the best for last when now I find  
Everything is just fine, everything is just fine  
Does it get any better than this?  
We're into something beautiful  
Bein' with you's as good as it gets  
It doesn't get any better than this  
No, no, no  
Something beautiful as good as it gets

Baby, you and me it doesn't get any better  
We're into something beautiful
