Go 'Way From My Window

John Jacob Niles

Go away from my window
Go away from my door
Go away, way, way from my bedside
And bother me no more
And bother me no more
I?ll go tell all of my brothers
Tell all my sisters too
The reason that my heart is broke
Is on account of you
Is on account of you
I?ll give you back your lace
I'll give you back your ring
But I'll never forget my own true love
As long as song birds sing
As long as song birds sing
Go away from my window
Go away from my door
Go away, way, way from my bedside
And bother me no more
And bother me no more
