

Way Out ("Miles from Tomorrowland" Theme)

Imitator Tots

Miles, Miles from Tomorrowland
Miles, Miles from Tomorrowland Never could I go too far
Never could I fly too high
It's all inside of me
Living out the dream
With my family Adventure all the way
New places every day
Oh yeah, we're going to zip
Gonna take a trip
In a rocket ship
We're counting down
The engines on
The time is now to rocket!
Rocket!
Rocket!
Rocket!
Woa oh, I'm a hero to the core
And I'm going to explore
Way out!
Woa oh, No where ever is too far
I'm shooting through the stars
Way out! Miles, Miles from Tomorrowland
Miles, Miles from Tomorrowland
