

Wake up and Live

Youth of Today

Wake up and live
Wake up and live your life see what there is to see
I won't sit around all day cause life means more to me Wake up and live
So many kids content to sleep their lives away
But I'm gonna try to make the most out of this day Wake up and live
It takes some motivation It takes some love for life
Why just sit complacent and let life pass you by
Boredom is a choice I choose not to make
Unlock that door, strive for more, there's a better path to take Wake up and live, breathe every breath
Wake up and live, until my death
Wake up and live, so much to do
Wake up and live, all of you, c'mon, open your eyes
