

# Deer Dance

Joanne Shenandoah

Circumventing circuses, lamenting in protest  
To visible police, presence sponsored fear  
Battalions of riot police with rubber bullet kisses  
Baton courtesy, service with a smile  
Beyond the staples center you can see America  
With it's tired poor avenging disgrace  
Peaceful loving youth against the brutality  
Of plastic existence  
Pushing little children with their fully automatics  
They like to push the weak around  
Pushing little children with their fully automatics  
They like to push the weak around  
A rush of words, pleading to disperse  
Upon your naked walls, alive  
A political call, the fall guy accord  
We can't afford to be neutral on a moving train  
Beyond the staples center you can see America  
With it's tired poor avenging disgrace  
Peaceful loving youth against the brutality  
Of plastic existence  
Pushing little children with their fully automatics

They like to push the weak around  
Pushing little children with their fully automatics  
They like to push the weak around  
Push them around, a deer dance  
Invitation to peace, war staring you in the face  
Dressed in black with a helmet, fierce  
Trained and appropriate for the malcontents  
For the disproportioned malcontents  
The little boy smiled, it'll all be well  
The little boy smiled, it'll all be well  
Pushing little children with their fully automatics  
They like to push the weak around  
Pushing little children with their fully automatics  
They like to push the weak around  
Pushing little children with their fully automatics  
They like to push the weak around  
Push the weak around

Push the weak around  
Push the weak around  
They like to push the weak around
