# Beep Beep Beep

## Bobby Day

(beep beep, beep x2)
Lookin' for you baby, searchin' all the world around (beep beep, beep)
Lookin' for you baby, searchin' all the world around (beep beep, beep)
I jumped on Sputnik, didn't know I was spaceward bound (beep beep, beep x2)I'm flyin' so fast, just a-rippin' through night and day (beep beep, beep)
I'm flyin' so fast, just a-rippin' through night and day (beep beep, beep)
I'm in my own little ___?___ nothin' better get in my way (beep beep, beep x3)Uh baby baby! (beep beep, beep)
Can't ya hear me? (beep beep, beep)
I know I love ya! I want you near to me.Please little baby can't you hear my ___?___ call (beep beep, beep)
Well little baby can't you hear my ___?___ call (beep beep, beep)
Been flyin' so high, but it's you that'll make me fall (beep beep, beep x3)Uh baby baby! (beep beep, beep)
Can't ya hear me? (beep beep, beep)
You know I love ya! I want you near to me.Please Mr. Moon help me find that girl o' mine (beep beep, beep)
Well Mr. Moon help me find that girl o' mine (beep beep, beep)
What I didn't know, baby, you were right behind me all the time (beep beep, beep x2)Uh baby baby! (beep beep, beep)
Can't ya hear me? (beep beep, beep)
Now we together (beep beep, beep)
Now mind the weather (beep beep, beep)
