Chasing Rubies

Hudson Taylor

Take me away to some place else
'Cause I don't want to see you
With anybody else
Maybe I'm selfish, I don't know
I hardly know you
And I don't want to let you go
And I don't want to let you go
This is not DÃ©jÃ -vu
I've never met somebody like you
I'd like to tell you the truth
I hardly know you
And I don't want to let you go
And I don't want to let you goChasing rubies, chasing gold
I'd like to tell you before your told
Maybe I'm crazy, I think so
I hardly know you
And I don't want to let you go
And I don't want to let you go
This is not DÃ©jÃ -vu
I've never met somebody like you
I'd like to tell you the truth
I hardly know you
And I don't want to let you go
And I don't want to let you goWhat if you don't like me
What if I'm being naive
Maybe it's love, sure I don't know
I hardly know you
And I don't want to let you go
And I don't want to let you go
This is not DÃ©jÃ -vu
I've never met somebody like you
I'd like to tell you the truth
I hardly know you
And I don't want to let you go
And I don't want to let you goAnd I don't want to let you go
And I don't want to let you go
And I don't want to let you go
And I don't want to let you go
And I don't want to let you go

And I don't want to let you go
And I don't want to let you go
And I don't want to let you goAnd this is not DÃ©jÃ -vu
I've never met somebody like you
I'd like to tell you the truth
I hardly know you
And I don't want to let you go
And I don't want to let you goThis is not DÃ©jÃ -vu
