

Grace

Bri (Briana Babineaux)

I know that I don't deserve you
cause of how I hurt you
but you held took your love from me
I disobeyed your word and strayed
but next to me you stayed and for that I give you the praise
your grace let me live one more day
your grace did not throw me away
your grace lead me to your embrace
I'm thankful for your grace so grateful for your grace
I know that I don't deserve you
cause of how I hurt you but you held took your love from me
I disobeyed your word and strayed
but next to me you stayed
and for that I give you the praise
your grace let me live one more day
your grace did not throw me away
your grace lead me to your embrace I'm thankful for your grace so grateful for your grace
Your grace kept me from all harm
your grace sheltered me from the storm
your grace didn't let me run too far
I'm thankful for your grace so grateful for your grace Your grace kept me from all harm
your grace sheltered me from the storm
your grace didn't let me run too far
I'm thankful for your grace so grateful for your grace
Oooooooooooooooooooooooooooooooooooooo
God I'm thankful for your grace
Oooooooooooooooooooooooooooooooooooooo
God I'm thankful for your grace
Oooooooooooooooooooooooooooooooooooooo
God I'm thankful for your grace
God I'm thankful for your grace
