

# Day By Day (10th Anniversary Version)

## DC Talk

I live a simple life, I take a day at a time  
I spend my mornings with God before I hit the grind  
The subtleties of darkness never cease to amaze  
As a physical world creates a spiritual haze  
Blinded by distractions  
Lost in matterless affairs  
Reaching through the darkness  
Trusting You will meet me there [Chorus]  
Day by day, day by day  
Day by day, day by day  
Oh dear Lord, three things I pray [one, two, three]  
To see thee more clearly [day by day]  
To love thee more dearly [day by day]  
To follow thee more nearly [I got to take it]  
Day by day You cruise around the corner  
You watch your back You sweep your feet down alley streets  
Sometimes you creep, I never see you coming  
Monday, man you're on my back  
Like a knapsack strapped with my heavy burden  
No, You cannot condemn me  
I won't buy your bag of goods  
You've got nothing for me anyway  
That's why I pray [Chorus] These three things  
I do pray  
Day by day Day by day, by day, by day  
[These three things]  
Day by day, by day, by day  
[I do pray]  
Day by day, by day, by day, by day (2x) [it's one step out of time] [Chorus] As you walk  
Day by day  
Go to God and pray,  
"I'm gonna go Your way" [I'm gonna pray]  
See thee more clearly [every day]  
Love thee more dearly [oooh, oh yeah]  
Follow thee more nearly [I'm gonna go your way]  
Does any body hear me? Day by day, by day, by day by  
Day by day, by day, by day by  
Day by day, by day, by day, by day [I know I'm always safe with you]  
[One day at a time]
