Standard Lines

Dashboard Confessional

Which of the bold faced lies will we use?
I hope that you're happy, you really deserve it
This will be the best for us both in the endBut your taste still lingers on my lips
Like I just placed them upon yours
And I starve, I starve for you
But this new diet's liquid
And dulling to the senses
And it's crude, but it will doSo which of the standard lines will we use?
I've been meaning to call you, I've just been so busy
We'll catch up soon let's make it a point toBut your taste still lingers on my lips
Like I just placed them upon yours
And I starve, I starve for you
But this new diet's liquid
And dulling to the senses
And it's crude, but it will doBut it will do
I hope it will do
