

Something Wonderful

[Kelli O'Hara](#)

This is a man who thinks with his heart
His heart is not always wise
This is a man who stumbles and falls
But this is a man who tries This is a man you'll forgive and forgive
And help and protect as long as you live He will not always say what you would have him say
But now and then he'll do something wonderful
The thoughtless things he'll do will hurt and worry you
And all at once he'll do something wonderful He has a thousand dreams that won't come true
You know that he believes in them and that's enough for you
