

Show me Love

THE SMU

Yeah, we back
Slim Thugga, Mannie Fresh
This for the real niggas in the club, mayne
Holla at 'em Fresh
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off
Don't call it a comeback, 'cause I been here for years
Wreckin' my peers, through the blood, sweat and tears
Here it is, Thugga back at it like a addict
No matter the price, give it here I gotta have it
When I step up out my house, everyday I gotta show off
Clean than a bitch with the price tag tow off
Everythang new, straight up out the mall
From my pants, to my shirt, to my shoes, to my draws
I show ya how to ball, take notes and keep looking
Stay tuned to the show and see what Thugga got cooking
Money back guaranteed, everyday I'm a go off
I'm rich than a bitch, shit I might as well show off
In the streets
(In the streets)
In the club
(In the club)
All the real muthafuckas show me love
(Show me love)
Now I open up this bitch and I'm a show you how to show off

Clean in this bitch with the price tag tow off

 In the streets

 (In the streets)

 In the club

 (In the club)

All the real muthafuckas show me love

 (Show me love)

Now I open up this bitch and I'm a show you how to show off

 Clean in this bitch with the price tag tow off

 Thugga fresh like a Mannie be, Dillerman, hand me keys

 Pull up off the lot, drop coupe, three hundred G

 Man, it's so fun to be me, I'm the wannabe

 On ya TV, yeah G, I'm the one you see

 The rose was the blessing so I pull that out the Sunday

 The Benz the work card, so I pull that on Monday

 The coupe good on gas, so I dry that all week

 And I pull out my slab, when I shut down the streets

 I'm a beast, hit the jury man with my peeps

 Big hundred carrot badge, I'm the captain of the streets

 Roll deep like police, blue boys got it lock

 Ya see me on patrol in ya hood on yo block

 Holla

 In the streets

 (In the streets)

 In the club

 (In the club)

All the real muthafuckas show me love

 (Show me love)

Now I open up this bitch and I'm a show you how to show off

 Clean in this bitch with the price tag tow off

 In the streets

 (In the streets)

 In the club

 (In the club)

All the real muthafuckas show me love

'Cause I live in the H, and got hoes round the globe
Stacking up you want, I'm getting doe by the low
That's how I stay froze and fresh with the clothes
My closet got mo kicks than they got in the sto's

I pop tags, shirt match my badge
Eyelids low, looking at the Prada glass
In the streets
(In the streets)
In the club
(In the club)

All the real muthafuckas show me love
(Show me love)

Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off

In the streets
(In the streets)
In the club
(In the club)

All the real muthafuckas show me love
(Show me love)

Now I open up this bitch and I'm a show you how to show off
Clean in this bitch with the price tag tow off
