En i's done taking a shower
put a mic stand, put a mic stand
put a mic stand, tell 'em tell 'emAccomplish it, accomplish it, accomplish some kind of start
until im movin up the bottom as theyre movin to walk
accomplish it, accomplish it, accomplish some kind of start
that mean im movin up the bottom as theyre movin to walkI got naI got no time for no fussin' and no fighting
break ya down cause its time for unitin'
strictly buddha be unda my lightin'
the lemon moon shines all brightIt's a rub a dub shakedown
mission gon' break down, take down
miss mommy, tell the world, tell downtown
all over mission worldwide countdown
i will be hereIt's a rub a dub shakedown
mission gon' break down, take down
miss mommy, tell the world, tell downtown
all over mission worldwide countdown
i will be hereI broke it down, i built it up, i built it up and up strong
im pushing them, they pushin back, they bypass somethin
and im telling ya, i broke it down, i broke it down,
i built it up strong, strong strong strong strong strongWell, i broke it down, i broke it down, i broke it down again
i build it up, i build it up, a strong migration on a firm foundation
i build it up strong strong strong strong strongIt's a rub a dub shakedown
mission gon' break down, take down
miss mommy, tell the world, tell downtown
all over, mission worldwide countdown
i will be hereIt's a rub a down shakedown
mission gon' break down, take down
miss mommy, tell the world, tell downtown
all over mission worldwide countdown
i will be hereIt's a rub a dub shakedown
It's a rub a dub shakedownIt's a rub a dub shakedown
