More Or Less

India Shawn

It's crazy, I know it feels mysterious
Until I became his
A whole new understanding
At first I was sad
I thought with his mind
And then I got angry with picture his hands
I saw through his eyes
I wanted to change me
I didn't know that we were the same
Then it got stranger, and never let go
We were just two random people
But we're not anymore
It's crazy, I know it feels mysterious
Until we became this
A whole new understanding, yeah
At first we were sad
We thought with their minds
Were so afraid to reach with their hands
Saw with their eyes
And look what we made
We didn't know it could be so right
Then we got strangers, couldn't let go
We were just some random people
But we're not anymoreBut everything is a test, more or less
You can re-take me I guess
But every question is exact the same
Soon as you pass, you get the next
And I don't think you're ready
Maybe I, I just don't want you to go
I don't know
Didn't take any notes
But as far as I can tell
Bae, more, more or less
I'm pretty sure
There's no more than love
Time will change
Not until we're sureI don't know
Didn't take any notes
But as far as I can tell

Bae, more, more or less
I'm pretty sure
There's no more than love
Time will change
Not until we're sure.
